City of St. Albans
2020 Town Meeting Day
Proposed Uses of One Percent Local Option Tax Funds

1. Community Pool

This is a collaboration with St. Albans Town to construct a year round community pool at Hard'ack. The cost to St. Albans City tax payers is \$2.75 million. The debt service is estimated at \$257,000 per year. This would be paid for 100 percent by the local option tax of one percent.

2. Neighborhood Sidewalks

This is the final phase of the neighborhood sidewalk project. The cost is \$1.5 million. The annual debt service is \$69,000. This would be paid for 100 percent by the local option tax of one percent.
