

City of St. Albans Announces November 1st Parking Changes

St. Albans, VT – October 15, 2024

The City of St. Albans is pleased to announce the integration of ParkMobile and T2 Systems UPSafety to its parking management processes effective November 1, 2024. These new systems will affect both daily/hourly parkers and monthly/annual permit holders. No changes to on-street parking.

Changes for Daily/Hourly Parkers

Starting November 1, 2024, ParkMobile will be the exclusive payment method for hourly and daily parking at the Parking Garage (26 Hampton Lane) and Lake Street (Courthouse) Parking Lot. Non-permit holders can use the ParkMobile app, ParkMobile website, or call (877) 727-5010 to pay for parking.

The following parking rates (plus processing fee) will be effective November 1, 2024:

- \$0.25 for fifteen minutes
- \$1.00 per hour
- \$8.00 for 10 hours
- \$12.00 for 24 hours (24-hour parking available only in the Parking Garage)

Changes for Monthly/Annual Permit Holders

Beginning November 1, 2024, monthly and annual parking permits for City parking lots will be available for purchase online at www.tocite.net/stalbansvt/portal. Individuals can either make a one-time purchase as a guest or set up an account for recurring renewal and payment. Businesses interested in purchasing permits for their employees should contact the City to establish a fleet account. Monthly and Annual permits are available for the City Hall lot, the Parking Garage, and the Lake Street (Courthouse) Parking lot.

Enforcement Update

Starting November 1, 2024, all parking enforcement in City parking lots will be based on license plate numbers. Physical parking permits or passes will no longer be issued. This modernized system aims to streamline the parking process and reduce waste.
